Dear Parents,

In order to continue providing the very best learning environment to our students, Dessau Middle School offers support groups for students to participate in, if they choose. These small groups will be led by the school counselors.

In group support sessions, the students may discuss a number of topics, including handling anger in positive ways, dealing with divorce, coping with grief, coping with family changes, organizational skills, solving problems, feelings, and worries. If you have any questions about your child's participation in group, please feel free to contact his/her counselor at (512) 594-2600.

Your child has expressed an interest in participating in a group discussion. If you would like for your child to participate, please sign the bottom of this letter and return it to the school. We feel that this experience would be an excellent opportunity for your child to grow and learn with his or her peers.

Thank you.
D.M.S. Counselors
