

Fifth Grade Language Arts Curriculum Bundle # 11

Title	Suggested Dates
Research and Communication	April 19-May 7 15 Instructional Days

Big Idea/Enduring Understanding	Guiding Questions
Evaluate sources to compile and paraphrase information, draw conclusion and provide evidence in presenting findings on a research topic.	<p>How does a researcher compile important information from multiple sources?</p> <p>How does research enable readers and writers to seek answers to questions and expand their knowledge?</p> <p>Why is it important to differentiate between primary and secondary sources when evaluating sources?</p> <p>How can feedback help you when revising drafts?</p> <p>What makes an effective presentation?</p>

The resources included here provide teaching examples and/or meaningful learning experiences to address the District Curriculum. In order to address the TEKS to the proper depth and complexity, teachers are encouraged to use resources to the degree that they are congruent with the TEKS and research-based best practices. Teaching using only the suggested resources does not guarantee student mastery of all standards. Teachers must use professional judgment to select among these and/or other resources to teach the district curriculum.
