

What is the PISD philosophy behind middle school summer reading?

PISD encourages all middle school students to read over the summer to

- help students maintain English Language Arts skills over the summer break
- expose students to quality literature that they might not pick up on their own
- promote independent reading, inquiry, and scholarship which will facilitate students as life-long learners

PISD requires middle school students who are enrolled in Pre-AP English to read over the summer to

- allow teachers to begin literary discussions at the level of depth and complexity required in an Advanced Academics course during the first weeks of school

Middle School Summer Reading

2009-2010

“Books are the bees which carry the quickening pollen from one to another mind.”

James Russell Lowell

Activities / Grading

All middle school students are encouraged to read from this list over the summer.

Students in **Pre-AP English** classes (Grades 6-8) are **required** to read **one book** from their grade level list over the summer and will be completing oral and written assignments during the first three weeks of school based on the book they read.

Students are encouraged to mark significant passages with sticky notes, take Cornell notes, keep a journal, etc to help them process and remember what they read.

Projects/activities will be assigned by the teacher and discussion over the novels will begin after the first week of school. Students will receive a “**major grade**” for the work they complete over their chosen summer reading book by the third week of school. Any late work or make-up work related to the summer reading book will be completed by the end of the first six-weeks grading period.

How were the books chosen for these lists?

Pre-AP English teachers and administrators meet several times a year to discuss and determine the reading list. Books are chosen based on the following criteria:

- Appropriate readability for independent summer reading
- High interest for students at the designated grade level
- Literary merit/promote rich discussion and literary analysis
- Variety of genres and themes

Please note that some of the books on these lists may contain **mature language or situations**. We strongly encourage parents and/or guardians to preview the books.

6th Grade Choices

Stargirl by Jerry Spinelli

The Lost Years of Merlin by T.A. Barron

Chinese Cinderella by Adeline Yen Mah

The Watsons Go to Birmingham by Christopher Paul Curtis

Any book from the **2009 Lone Star Reading list:**
