

THE ROUNDING SONG

(to the tune of the Addams' Family)

by Kim Hagedorn, PISD

Rounding up,
Rounding down,
Estimation,
Rounding Numbers,
It's a snap!

First you find your number,
Then you look at your neighbor,
If it's four or less....
Then you take a rest!

Rounding up,
Rounding down,
Estimation,
Rounding Numbers,
It's a snap!

If it's five or more....
Then you add just one more,
You must raise the score,
And you just rounded up!

Rounding up,
Rounding down,
Estimation,
Rounding Numbers,
It's a snap!
